■ **ENSURE PRIMARY SCHOOLING TO THE DROPOUT AND NEVER ENROLLED CHILDRENS OF PRIMITIVE TRIBE GROUPS**

This project is continuing in five tribal dominated Gram Panchayats in two blocks of Keonjhar, Odisha. It covers 3610 H.H & 57 villages , 9243 no. of children from Primitive tribe 'Juang' community 3-14 years and the baisc problems are dropout,irrgularity, never enrolled and childrens education is not thei need .The goal of the project is "to ensure reduction of dropout rate with realisation of RTE norm in 52 no. of schools and activation for 49 AWCs". The Challenging factors are.....

- The People with whom we are working are illiterate and schooling of children's is their least priority.
- Schools in the inaccessible areas not functioning .
- Rate of dropout / never enrollment , irregularity high .
- Inactive of School Management Committee .
- Most of the schools are running with single teachers.

- Attendance of children is poor during functions , community festivals and collection of MFP .
- Age and Class specific education .
- Irregularity of teachers and least priority edu.dept.personnels .

In this context prime focus given on Community/SMC sensitization,Guardians counselling , tracking childrens attendance , taking classes by the para teachers who belongs the same locality , Orintation to MLE teachers , Use of school library , scholarship to needys / facilitating for scholarship from Dist.Mineral Fund activation of village level institutions and G.P level Child Protection Committee and standing committee on education advocacy with line departments and mobilising SMC memebtrs on presenting issuses before Dist/block level grievance shairing meet and participation in like minded NGO Net-Works who are working on this issue .
